

# KUPIDABIN NEWS

## May - June 2020

Dear Friends

We can emerge from our cocoons and spread our wings now that Government restrictions have been lifted a little and you can venture outdoors up to 150 kms. We at Kupidabin are taking bookings again for small Gatherings, Workshops and Retreats up to 10 people. Weekends are available from June 2020.

We have plenty of Space indoors and outdoors for Social Distancing Requirements.

If you have not been to Kupidabin Wilderness recently – give me a ring anytime and come and check out our improved facilities and 'What we have to Offer'.

**SATURDAY 7TH. JUNE Monthly Peace Fire Ceremonies will commence again at 7pm.**

**Limit of 10 people at this time. Please make a Booking if you wish to attend. It is a short ceremony till approx 8pm by the time you have a 'Cuppa and a Chat.'**

Hopefully restrictions will be eased further very soon. I will keep you updated re Kupidabin Committee's proposed Program for 2020. We need to have a KW Foundation Volunteers Meeting a.s.a.p. after our lives return to some normal routine.

I am sure all the Mums and Grandmothers out there are very happy schools are back.

### **A Message for all Medicine Drum Makers**

When you are ready to organise your drum workshops again we can supply you with 18" 15" 12" round drum hoops made from Queensland Hoop Pine Ply from the Bunya Mountains. My husband Des has transferred his Hoop making business to Chris Johnston, our future son in law and taught him all his specialised product knowledge. A percentage of the hoop orders is donated to Kupidabin Wilderness Foundation Fundraising. Sorry I cannot access any deer skins. Goat and Kangaroo are available from Skin Merchants.

My thoughts are with you all – Please keep Well - Safe and Happy – Better days ahead.

Many Blessings

Maureen.
