Families of the students were invited to a scrumptious B.B.Q. prepared by the students with the help of their Support Workers. Santa arrived at 6pm with a gift for everyone.

A Special Presentation was made to Zac Hodges. The Maureen and Des Pickstone Award of Excellence 2020 Superstar of the Year. Zac has shown an outstanding natural talent with wildlife and nature based photography since starting the program at Kupidabin. I was very privileged to get a 'big hug' from Zac. It is very rewarding to see the effect of the land and environment at Kupidabin on the students in one term.
