

KUPIDABIN NEWS

September - October 2020

Dear Friends of Kupidabin Wilderness Foundation and a SPECIAL Welcome to our New Readers. (For your information previous News can be read on our website www.kupidabin.org)

September was shaping up to be a very busy month for Kupidabin Wilderness with workshops and retreats being booked again after the very quiet time in the first part of the year. Then suddenly we were hit with new Government Regulations. Panic set in for the fate of our Retreats and Wedding bookings. We are very lucky not to be affected as our Events and Ceremonies are on Private Land not Public Space and all are adhering to the Covid SafePlan. Following is the Link from the Government Web Page <https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19/current-status/urgent-covid-19-update>
