

# KUPIDABIN NEWS SEPTEMBER - OCTOBER 2022

Dear Friends

Welcome to all our Old and New friends who attended Kupidabin 8th Bi-Annual Gathering of the Four Winds 23rd/24th/25th. September. Our Opening Ceremony was held in our Culture Centre for the first time as the grounds were still too wet after the continuous rain we have been having. It worked very well with plenty of room for everyone. Many thanks to Damien for his expertise with his sound equipment all evening. The Cultural Performances were all exceptional. Great photos and videos taken by Linda and Vanessa for our archives.

It was a beautiful weekend- the energy of the land – the love and respect that was flowing was incredible.

The Gathering and all the lovely people I met I will remember for a very long time

Thank you to all my Committee for your support and all the Volunteering work was very much appreciated. Our Auction was the best ever!! Many Thanks for the Donations and to the Buyers.

Our KWCT Committee are eager to start planning Events for 2023 which we will do after we finalize our debriefing of the 8th Bi-Annual Gathering of the Four Winds.

I will add your email to my newsletter list to keep you up to date. If you do not wish to receive it please let me know. No Problem!

If you would like to write a testimonial about the weekend, any changes you would like to see happen -what you enjoyed the most etc This is optional – just sign or initial and say where you are from and how you heard about the Gathering. It will give us some idea of what you would like to see happen in the future.??

Some of you have heard about the documentary Film Vanessa has been working on to 'Tell My Story' interviewing people and videoing our Gathering during the weekend.

This film when ready to launch will be shown around the world and I hope will create more awareness of Kupidabin and my Vision.

Vanessa has prepared a 'SYNOPSIS' WHICH SHE WOULD LIKE YOU TO COMMENT ON AND SHARE WITH YOUR FRIENDS AND THROUGH YOUR NETWORKS. The more comments the quicker the film will be produced. See the link below.

**INSPIREFLIX** a charity-based film production has heard about the Gatherings that we hold and would love to capture my story to share with the world. I need your help. INSPIREFLIX can only film so many stories with the funds they receive. For my story to be filmed I need people to comment on their website. When we have the most comments they can go ahead and film the story

After all these years, my story can finally be told. I am very excited. If you are also interested in telling your story you can submit your story as well on the website [www.inspireflix.com](http://www.inspireflix.com)

Our Ceremony for The International Day of Peace was held again on Wednesday 21st September What a Beautiful Ceremony it was held on the Veranda at Kupidabin due to the uncertain weather. We had a good attendance including Bob Miller OAM ex Moreton Bay Councillor, Member of the Rotary Club of Samford and a 'Long time supporter of Kupidabin More information about the International Day of Peace celebrated worldwide you will find on our website [www.kupidabin.org](http://www.kupidabin.org)

Thank you for your continuing Love and Support

Many Blessings
